Lawful Demand for a Written Bill of Particulars

By <John James: Smith>, *suae potestate esse, et uxor*, by Authority of the Law of Coverture of and over His Lawful Christian Wife, <Jane Doe: Smith>, *feme covert*:

In the matter of: <Traffic citation No. 12345-678> and it's accompanying abandoned paper marked with the unlawful and invalid *personae designata* <JANE DOE, JANE SMITH, Jane D. Smith>, *misnomers*:

Be it Known and Remembered by All to Whom These Presents Come and May Concern:

This is a Lawful Demand for a Written Bill of Particulars, issued by and under the Ministerial Power and Authority vested solely in and appertaining to the Ministerial Office of Christ, established in Truth and Substance by the Grace of God through Our Sovereign Lord and Savior Jesus, the Christ, and which is the Foundation of Law, customs, and usages common among all Good and Lawful Christians, being co-heirs and appointed co-executors of His Testament governing His Estate brought into being by His original Act sworn to by Him in His Testament, and in execution of the Judgments declared therein by Him, against <the same Defendants as entered above>, acting Alien Enemies of Our Sovereign Lord and Savior for whom I am one of several appointed Ministerial Officers;

All parties take notice the above named Demandant is herewith submitting this timely Lawful Demand for a Written Bill of Particulars to the above named Defendants and their fellow agents and principals as presently known to be the <Police Officers, Prosecuting Officers, Superior Court of Your State Officers, Corporate Your State Municipality and its Officers, and the corporate State of Your State described above>;

The Demandant is herein requiring that this Bill of Particulars be fully answered, responded to, and presented to the Demandant in the timely manner specified below so that the Demandant may ascertain the particular nature and cause of the accusations being made against the Demandant, and such that the greater purpose of God's Law may be accomplished to the Christian and general usage of the due Process of His Law;

This Demand for a Lawful Bill of Particulars is being made within the jurisdiction and venue of the above court *ekklesia*, as is proper according to due process of Law. As is required in Law, all questions herein made to the Defendants must be answered truly, correctly, completely, and with full awareness of the penalties for bearing false Witness against Almighty God. Failure to answer, plead, or otherwise perfect the Record in Law in response to the said questions will be deemed as an abandonment of prosecution by the Defendants to lay, evidence, and prove in Law before this Honourable Court any purported right or claim against the Demandant;

The Demandant is without sufficient knowledge as to the nature and cause of the purported accusations made and being made by the Defendants in this matter so as to make a response to any pleading or a defense to the ongoing unlawful persecution of the Demandant in a foreign and strange venue of unknown and purported law. The Demandant is aware that these types of unlawful persecutions will not be prosecuted in the Defendant's foreign venue in the Demandant's Lawful Christian Appellation, as shown above. Thusly, it is unlawful to bring any proceedings against this Demandant in any other misnomer than that in which I have herein represented my true Christian Appellation to be.

Take notice that failure to acknowledge the Demandant by his or her proper Christian Appellation is *prima facie* evidence of evil Faith and malicious prosecution of an unlawful criminal nature by the Defendants; The Defendants must respond and answer these particular questions presented in the reasonable time of ten days, as is usual and customary in due process of Law. Defendants may make a good faith written request showing a *bona fide* need for more time than ten days, and with a showing of reasonable facts in support as to why more time should be allowed, the Demandant may allow Defendants to respond within an additional time. Otherwise, failure to respond within ten days from receipt of this Demand will result in a default against the Defendants.
